Source: Organization Charts

*2.3 rangers hired per seasonal FTE per year ?

02/03 Seasonal FTEs differ from org charts due to the addition of 4 HQ FTEs utilized for seasonal park rangers in Vancouver Island Region.

The estimated number of staff in fiscals 2005/06 and 2006/07 with Park Ranger authority appointed under the Park Act is 193 staff. These appointments include qualified regional managers, protected area section heads, area supervisors and park rangers. Not all park rangers are appointed authority under the Act.
