I have been provided with your social post made earlier this afternoon. Please provide the following information to me before the close of business today:

- a. The specific statutory and/or regulatory provision(s) that you assert have been violated;
- b. The date, time and place of each violation;
- c. The precise location of any pileated woodpecker nesting cavities that you are aware on my client's property;
- d. The date you became aware of each pileated woodpecker nesting cavity; and,
- e. The reason why you failed to notify of the landowner of the precise location of each pileated woodpecker nesting cavity that you are aware of.

A copy of the injunction that was continued on Monday is attached. You are required to comply with it.

Thanks,

Kevin D. Toyne
